

SULLIVAN'S ISLAND
BICYCLE ADVOCACY COMMITTEE

*A community based advocacy committee committed to promoting and enhancing
the bicycling experience on Sullivan's Island*

Community Organizational Meeting

6:00PM Monday, April 19, 2010

Town Hall, 1610 Middle Street

If you are interested in promoting bicycling on Sullivan's Island, we need you. Please attend the first community-wide organizational meeting of the new Sullivan's Island Bicycle Advocacy Committee.

We are interested in finding volunteers to lead the way toward making Sullivan's Island a designated Bicycle Friendly Community. You can help by supporting efforts, such as bicycle education and community outreach.

If you would like to volunteer for or get more information, please contact Committee Chairman Ward Lasso at (843) 883-3667 or email at bikesullivans@yahoo.com.

Any Island resident interested is invited to attend this organizational meeting.

Thank you for your support.
