

WELCOME TO THE 2018 COMPREHENSIVE PLAN OPEN HOUSE!

Thank you for participating in this open house to kick-off the Town's 10-year update of its long-range strategic plan, known as the Comprehensive Plan (Plan). This Plan is developed by, and for, the community and your opinion is very important! The Planning Commission serves as the Comprehensive Plan Steering Committee and spearheads the Plan update in concert with Town Staff and consultants from Berkeley-Charleston-Dorchester Council of Governments (BCD-COG) who will provide technical expertise for this project. Ultimately Town Council will approve this strategic Plan through its regular ordinance process.

TONIGHT'S GOAL: To share information, initiate conversations on the vision for the Town's future and gather public input on the same.

WHY IS THE COMPREHENSIVE PLAN UPDATE NECESSARY AND IMPORTANT?

This Plan is an essential tool for Town governance. It is a roadmap for the Town's future and serves as a touchstone strategic plan referenced by all levels of government staff and officials during policy discussions and decisions. Therefore, the first and most important step in the 10-year update is to begin a community conversation about the Town to develop a shared vision for the community's future. Beginning tonight and through this approximately year-long update process, **we need you to share your voice!**

WHERE CAN I FIND INFO & HOW CAN I OFFER COMMENTS?

INFORMATION: Visit the Project website (housed on the BCD-COG website):

<https://bcdcog.com/sullivans-island-comprehensive-plan/>

NOTE: project status and updates will be added to this site

SURVEYS: various surveys will be rolled out during this project

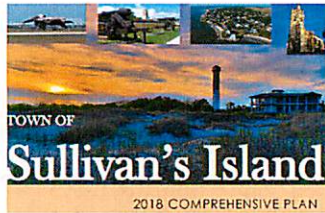

Open House survey is open through Friday, November 10, 2017

Note: There will be stations to complete your survey at the Open House if desired
