

SULLIVAN'S ISLANDERS TURN OUT IN ENTHUSIASTIC NUMBERS

FOR THE 2010 COOPER RIVER BRIDGE RUN/WALK!

The 2010 Cooper River Bridge Run and Walk attracted tens of thousands of participants from all over, including lots of Sullivan's Islanders!

The results site for the Run has a search function that works great for names and age/gender divisions at <http://results.active.com/pages/page.jsp?eventLinkageID=441> .

However it misses a lot of Islanders when you search on "Sullivan's Island", so Sullivan's Island Councilmember and Bridge Run participant (the first Bridge Run in 1978, this year's, and most in between) **Pat O'Neil** did some more searching among all SC participants and came up with a list of **90** finishers who showed the Island as their address.

We're showing them alphabetically, without times, because as Pat says, "The important thing is to 'Get Over It', regardless of time, and if you saw mine you'd understand why I say that".

However, we must salute the following Islanders who finished in the top tiers of their gender/age divisions:

Fred Reinhard, Male 65-69, FIRST Place

Bolton Sanford, Male 10-14, 4th Place

Gracie Herlong, Female 15-19, 7TH Place

Larry Middaugh, Male 70-74, 7th Place

And we suspect they would all want us to mention...Bolton and Gracie are at the top end of the age ranges of their divisions, and Fred and Larry are among the youngsters in their groups!

Here's the list of all the Islanders who completed the 2010 Cooper River Run/Walk (names from the CRBR website). Congratulations to all y'all!
