

Sullivan's Island Town Hall, Police Head Quarters, Park Improvements

Public Input

September 10th, 2013

Overall Design/Form:

Roof
"Barbados" Roof Line
No Towers
Like the idea of a cupola
Porches
Like the idea of wrap around porch
Park
No enroachment into park
Footprint
Some Setback
Not built to ROWL
Police Building should be separate
Utilize mound better
Space is too tight look at setting the building back further
Revisit programming and space needs
Have the front door facing middle street
Mound needs access to road and not to conflict with existing building
Revisit the whole master plan
Quick Parking Spaces i.e. 30 minutes etc

Parking

Building Precedents:

Existing and Historical
Band Stand
Fire Station
Life Saving Station
Elements from Island Buildings
Post Exchange- Building Foundation
Officer Quarters
Atlantic Beach Hotel

Interiors:

Colors
General satisfaction with proposed color palette
Fall colors too
sweetgrass blooms (pink/purple), island grass colors during varying seasons, color of the Baharris Flower Bloom (White)
Decorative Accents
Historic photos (Archives at Fort Moutrie)
Minimize indoor stairs

Functions:

Facilities
Public Restrooms for Park
Bike Racks
Support
4th of July and Christmas Parade seating
Emergency
Emergency Operation Center

Sustainability and Technology:

Utilize natural lighting
No LEED but design sustainably
Have wiring available for technology
Digitally record AV from Meetings
Design so technology upgrades can be made after the building is built

Materials:

High quality exterior materials
How will materials hold up in the island climate
Consider a brick Foundation and Interior materials, wood

Subjective Comments

"Simple"
"Not Grand or Pretentious"
"More than a Town Hall"
"Preserve Sanctity of Park"
"Where will the choir and christmas tree go?"
"Projecting a Civic Image"
"Meld the Fire Station and Town Hall together"
"Less Square Footage"
"Integrate the arts in the interior and exterior"
